Qué Tal Language Program Mission

The mission of the Qué Tal Language Program (“Qué Tal”) is to enrich the lives of children through learning the Spanish language and celebrating the Spanish speaking cultures of the world.

Legal and Administrative Structure

Qué Tal Language Program is a 501c3 non-profit organization guided by a volunteer Board of Directors that may include current and past parents, program staff, local school teachers or staff, and individuals from the larger community.

Qué Tal relies upon the involvement of parent volunteers at various levels in order to maintain a well-run yet cost effective program. Parents are encouraged to talk with the office staff about ways in which they can volunteer to enhance the learning experience of their students.

IMPORTANT INFORMATION: Que Tal is a 501(c)(3) non-profit organization and not a daycare center. We offer before- and after-school Spanish classes, as well as an after-class program in the afternoon to support parents needing a later pick up time. **Occasionally we receive questions about the use of FSA dollars to pay for Qué Tal expenses. We recommend checking with your accountant and/or benefits administrator for guidance on this topic.**

Program Philosophy

Qué Tal (pronounced “kāy tǎl”) is a high quality language program that provides daily exposure to Spanish for children in kindergarten through middle school. Research shows that the optimum age for beginning language instruction is between the ages of 4-8 and that learning a foreign language at an early age enhances cognitive and communicative ability in children.

Qué Tal focuses on effective communication and may provide the foundation for your child to advance in language studies. We use the Spanish curriculum *Viva el Español* from McGraw-Hill Company for grades K-4. Grades 4-8 use the *Realidades* curriculum from the Pearson Company. We use culture, music, games, and history with the daily reinforcement of activities and practice to keep students involved and learning.

Qué Tal's primary emphasis for our teachers is that they have native speaker ability, display excellent teaching qualities and have a love of teaching children. Our teachers have university and/or post-secondary training and experience in a variety of fields. Several have education degrees and daily experience in educational settings.

WAYZATA Program Components

Registration is for a full school year. Qué Tal operates Monday through Thursday for our **afternoon elementary (grades K-5)** sessions with two different schedules (Tiers 1 & 2, based on school dismissal times).

For **middle school grades 6- 8**, Qué Tal operates in the morning three times a week, Tuesday to Thursday.

Qué Tal follows the Wayzata School District calendar regarding holidays and scheduled breaks.

Students are assigned to classes based on grade level and ability. After their first year of classes, students are evaluated carefully to see what level is best for them. This evaluation includes language comprehension and usage, maturity level, grade level, and speed of learning. Each student learns at a different rate. There will be students who are moved ahead and there will be students who are asked to repeat a level. Parents should understand that as students grow into language comprehension and usage, as well as in their personal maturity, there will be different stages of learning a language.

Severe Weather Closings

Qué Tal policy indicates that during severe weather conditions, it shall close whenever the Wayzata School District issues a school closing. Tune into WCCO 830 radio and WCCO (channel 4), KSTP (channel 5), or KARE (channel 11) television for information on school closings or log into <http://minnesota.cbslocal.com/tag/school-closings/>. Also, the Wayzata School district notifies parents by phone, text and email.

This evaluation includes language comprehension and usage, maturity level, grade level, and speed of learning. Each student learns at a different rate. There will be students who are moved ahead and there will be students who may be asked to repeat a level. Parents should understand that as students grow into language comprehension and usage as well as in their personal maturity there will be different stages of learning a language.

Severe Weather Closings

Qué Tal Policy indicates that during severe weather conditions, it shall close whenever the Edina School District issues a school closing. Tune into WCCO 830 radio and WCCO (channel 4), KSTP (channel 5), or KARE (channel 11) television for information on school closings or log into <http://minnesota.cbslocal.com/tag/school-closings/>. Also, the Edina School district notifies parents by phone and email.

There are no Qué Tal Classes on early dismissal days.

BOTH DISTRICTS (Wayzata & Edina) Program Enrollment

Qué Tal Language Program accepts applications for registration without regard to race, religion, gender, or national origin. All children accepted for the Qué Tal Language Program must consistently demonstrate appropriate social skills, follow adult direction, show readiness for learning, and follow safety rules.

Qué Tal strives for class sizes in the elementary level of 14 to 18 students and in the middle school level, of 12 to 15 students. These numbers are based upon an effective teaching environment and financial stability. Classes are filled on a first come, first served basis.

Enrollment is for the full school year. Because Qué Tal is a small non-profit and runs on a tight budget based upon enrollment numbers, **parents are expected to pay for the full year of classes. See Refund Policy below.**

Elementary School: \$1,785.00 per year

Middle School: \$1,315.00 per year

Refund Policy

Withdrawals received 15 days prior to the first day of school will receive a refund of all amounts paid less a \$100 cancellation fee.

Withdrawals received within 15 days of the first day of school or after school starts will not receive a refund unless the family is moving out of the District or for health reasons that advise against continuing in the program. In these cases, tuition will be pro-rated less a \$100 cancellation fee.

Smart Tuition

Qué Tal partners with Smart Tuition to manage tuition billing and payments.

The Wayzata school code is 11549.

The Edina school code is 12821.

Smart Tuition handles everything related to tuition (payments, installments, receipts, statements, etc.). If you need any tuition information, please contact Smart Tuition directly. Qué Tal does not issue financial information handled by Smart Tuition. Please make sure you update your contact information with Smart Tuition as we are unable to make those adjustments.

Annual Parent Meetings, Middle School Curriculum Night and Elementary Open Houses.

All families are encouraged to attend these events. Dates will be announced in advance. **New families are expected to attend to help their students succeed**

For middle school students the annual parent meeting is held in September in combination with Curriculum Night.

Thursday Folders & Communications

Elementary teachers will send Thursday folders home basis. **The information sent home in the folders includes important updates for the parents. Please read them carefully.**

General information about the Qué Tal program is sent by email and posted on our website. Please keep a current email address that you check regularly on file with the Qué Tal office. Please check your email on a regular basis to see if there have been any communications from Qué Tal.

Quarterly Student Progress Reports

Quarterly progress reports are prepared for every student. They are sent home by email through Jupiter Ed. **Your receipt confirmation is appreciated** as this is the only way we can be assured that parents have seen the progress reports.

These reports are published on or around:

2 nd week of November	First week of February
2 nd week of April	Last week of school (June/end-of-the-year evaluations)

The year-end evaluation will be used to determine placement for the following year.

Parents are free to communicate with their student's teacher by email or telephone any time during the year. If there are specific concerns, we strongly recommend that parents talk with their student's teacher first. If further communication is needed, please contact the Executive Director and/or Teacher Lead. The teacher email addresses are listed at the end of this document.

Attendance and Tardiness

Daily attendance is required in the Qué Tal Program. Students who miss more than three classes will begin the disciplinary process noted under the title "Persistent Unacceptable Behavior."

When students miss class on a regular basis they fall behind the rest of the class; we expect them to work at home to catch up.

Qué Tal recognizes that students do get sick, have family situations that require absences, and may periodically have school functions that require them to miss a class.

Students are required to be at their classroom at the start of the scheduled class time. Students who are consistently late will begin the disciplinary process noted under “Persistent Unacceptable Behavior”.

The start of your child’s classroom time is noted by location.

If you are planning a family trip or your student will miss several days of class, please inform their teacher so work can be given to keep the student current with the class. The teachers’ emails are listed at the end of this document.

Absences

To ensure the safety of your children, we require that parents notify us if your child will not be attending class.

On the day of the absence, please email the student’s teacher and the Office Manager (office@quetalwayzata.org). Future absences can also be reported by emailing the student’s teacher and Office Manager.

If we need to contact you to locate your child, you will be charged a \$10 Absence Confirmation Fee, which will be billed on a monthly basis.

Special Arrangement: Qué Tal does not encourage absences on a weekly basis in order to attend extra-curricular activities, such as choir, chess club, etc.

Security

Wayzata. As an important security measure, we ask that for morning (Middle School) classes you make sure that your child has entered the building before you leave. Equally important, we request that you enter the building when picking up your child at the end of afternoon classes (elementary) so that you can sign out your child.

Edina. We request that you enter the building when picking up your child at the end of afternoon classes so that you can sign out your child. Parents must come to the classroom to retrieve their student for early dismissal.

We will release a child only to someone authorized by you and noted on the Qué Tal Language Program Child Information Form on file. If there is a change in your child’s pick up procedure or you require early dismissal, please send a written note or email to the teacher. Students will not be dismissed without written permission from parents or guardians.

Qué Tal will conduct fire and safety drills at the beginning of the year to ensure the safety of the children in case of an emergency. Teachers will review all such procedures with their students.

Behavior Guidance

Our philosophy is that every child has the right to learn and that no child may prevent

another from learning. Every child has the right to feel safe while they are learning.

Qué Tal has basic expectations for students to remember:

1. We respect ourselves, others, and property
2. We behave in a safe and orderly way
3. We act as responsible citizens
4. We use appropriate language
5. We follow the directions of the person in charge

Our basic classroom philosophy is: **Be Kind, Be Safe, Work Hard**

Behavior expectations for students at the locations where Qué Tal classes meet

1. Upon entering the building, go directly to the classroom
2. If waiting in line, wait quietly and seated (no eating allowed)
3. Greet attendance person and teachers politely in Spanish, "Buenos Días."
4. Hang up or set down coats nicely and place backpacks by coats
5. Follow our dress code(see appendix)
6. Never throw anything
7. If teachers are not in the classroom, sit quietly at a table in the classroom
8. No running
9. No yelling
10. Never enter the sanctuaries
11. Never draw, write, or scratch on any walls, floors, or parts of the church
12. Keep hands off of all windows and walls
13. Do not knock on doors unless you want to enter the room
14. No climbing trees, rocks, bricks, or other outside property
15. No use of cell phones, personal electronics, or any other items not approved by teacher

Unacceptable Behavior includes but is not limited to:

1. Consistently interrupting the class discussion
2. Consistently distracting others and not being engaged in the classroom
3. Frequent absences or tardiness
4. Not turning in homework (Middle School classes)
5. Physical aggression (pushing, shoving, hitting, etc.)
6. Unwanted touching of another student
7. Demeaning behavior (name calling, teasing, or purposefully hurting others' feelings)
8. Inappropriate talk (swearing or sexual talk)
9. Purposeful destruction of class materials or equipment
10. Inappropriate sexual touching
11. Drugs, alcohol, tobacco, or weapons used or in possession during class

12. Interfering with the health and/or safety of another student

Persistent Unacceptable Behavior

As a consequence of unacceptable behavior, Qué Tal staff may initiate any or all of the following actions:

- Parental notification via email or phone call. At this time either the teacher or parent may call for a conference to further discuss the situation.

If unacceptable behavior continues:

- Parent will be called and the child removed from class that day.

In the rare case of the same situation repeatedly presenting itself the student will be suspended:

- Suspension from the program for 1–5 days
- Disenrollment from Qué Tal with no refund for payments made

Disenrollment

If a student's conduct proves he/she is unable to abide by the basic rules set forth for behavior and if staff and parents are unable to remedy the unacceptable conduct, the staff, with the approval of the Qué Tal Board of Directors, may remove the student from enrollment in the Qué Tal Language Program. In such a case, registration payments made to Qué Tal are nonrefundable.

Communicable Disease Policy

In an effort to minimize the spread of infectious disease, Qué Tal follows the Wayzata and Edina Public School District's guidelines for exclusion from school in the case of contagious illness.

Parents are strongly encouraged to follow the district guidelines when considering Qué Tal attendance during illness.

Qué Tal encourages reporting of the following infectious diseases to their child's Qué Tal teacher and the Qué Tal administration office:

- Strep throat
- Head lice
- Chicken pox
- Influenza
- Infectious (viral or bacterial) rashes
- Conjunctivitis/pink eye
- Pertussis/whooping cough

Parents of classmates will be notified by email of possible exposure to any of the above

illnesses to facilitate earlier recognition of symptoms, treatment and/or exclusion from Qué Tal and school while contagious.

Illness or Emergency

A child should not attend Qué Tal if any of the following symptoms occur: fever, vomiting, or diarrhea (within 24 hours). Children also should not attend Qué Tal with any undiagnosed rashes, inflamed or matted eyes, severe colds, or sore throats. Qué Tal's policy on illness is consistent with the Wayzata and Edina School District's general practices regarding sick students.

If a child becomes ill, she/he will be isolated from other children. The parent will be notified and must arrange pick up of the child within 30 minutes. Parents must keep a current list of designated people who are authorized to pick up the child in the event of an emergency on file with the Qué Tal Language Program. These people will be contacted if the parent is not available.

In the event of an emergency, parents will be notified. When necessary, an injured child will be transported, by a local emergency unit, to the nearest source of medical care. If parents cannot be reached, the child will be transported, at the parent's expense, to the nearest hospital by a local emergency unit for treatment.

Suspected child abuse or neglect

We will report any suspected abuse or neglect of children enrolled in the Qué Tal Language Program to the appropriate Hennepin County Social Services Agency (Child Protection).

Board of Directors

The Qué Tal Board of Directors is made up of parents of students in the program as well as one teacher from the program and the Executive Director. If you are interested in serving on the Board of Directors or attending any of the meetings, please contact Francisco Peschard, Executive Director, or any of the Board members listed at the end of this document

Parent Participation

Qué Tal Language Program is a non-profit organization run by the Qué Tal Board of Directors and a part-time Executive Director, a part-time Office Manager and a part-time Teacher Lead. Parental involvement plays a key role in the learning experience of the students and in the success of our organization. Parents may be asked to support the program in a variety of ways: assisting with student programs and learning events, helping make or distribute program materials, or other activities. We greatly appreciate parents becoming involved and having a vested interest in their child's learning experience.

Giving and Development – Opportunities to support the program

Giving and development activities are important for funding that portion of the budget, which is not covered by tuition. Your generous gifts help to keep tuition costs as low as possible. We ask that every family make Qué Tal a giving priority and support our program through your fully tax deductible donations. If you would be interested in donating to a specific need within the program, please contact the Executive Director or the Office Manager to see what the specific needs are at that time.

Parents with knowledge and/or background in working with grants and grant writing are encouraged to volunteer their time to work with Qué Tal. If your company's foundation would be interested in the kind of program Qué Tal provides for children, please contact one of our board members with information about the program and the names of contact persons.

Parent Communication

It is very important for us to maintain our commitment to excellence in providing Spanish language education for your child. If you have any questions, concerns, or comments, please talk with your child's teacher or send us an email. Email addresses for all staff and the Qué Tal Language Program Board of Directors can be found at the end of this Parent Handbook.
